A top-down view of a rustic wooden cutting board with a handle, placed on a dark, textured surface. The board is surrounded by various fresh ingredients: a large head of green broccoli on the right, a red tomato, a whole potato, a green onion, and several mushrooms on the left. A small glass bowl containing red and yellow peppercorns is also visible. The text "Any Queries???" is written in a white, elegant script font across the center of the cutting board.

Queries???*
